

Florence Modupe Akinpelu

Celebrating 75 Years of
Life, Love, & God's Blessings!

Happy 75th Birthday

The Abundant Life

Is not found in abundant Fame, Wealth or Fortune

Cannot be seen in egocentric aspirations

Does not dwell among contentious spirits

Nor find a resting place in bloated careers

It is found with inner peace stemming from a relationship with Christ

For He says, "I will keep you in perfect peace if your mind is stayed on me"

From this comes Joy, Peace, the fruits of the spirit & life everlasting

In this is found the value of family ties

The true bonds of friendship

In friends that stick closer than brothers or sisters

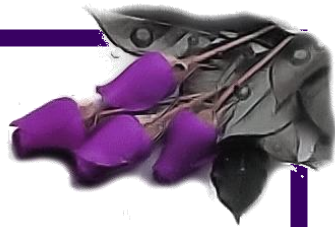

And in this is found a Mother who gives of herself selflessly

That her children might know the true meaning

Of an Abundant Life
